Man By Your Stand

As I drove back to Abilene, I was, once again, struck by the fact that even when we have several members who are out with illness and others who had to miss due to other ministry/family conflicts, you still sang with such great passion!

I have often heard the statement, “It’s not the size of the dog in the fight, but the size of the fight in the dog,” and I could easily describe each of the members of the Singing Men of West Texas by saying, “It’s not the size of the choir in the loft, but the size of the heart for God in each member of the choir.” Though we are not large in number, the Lord continues to speak through each of you every time we gather and worship Him.

Our first goal, each month, should be to come expecting God to do great and mighty things... first to us, then to those who are active participants in each worship concert. If we fulfill our primary goal each month, the other goals of attendance, etc. will take care of themselves.

This month, we will meet at Crestview Baptist Church in Midland. It has been a long time since we have sung at Crestview...as a matter of fact, the last time I remember singing at Crestview was at the old location in Midland. Since that time, the church has relocated and renewed its vision for reaching the ever changing population of the Midland/Odessa area.

In addition to our regular schedule, we will also be singing in one of the local assisted living facilities from 3:00-3:30. These opportunities have always been rich times of sharing music with the residents. As we have done before, we will sing some of our regular songs and lead them in singing some wonderful hymns.

I hope you are having a wonderful week and I look forward to seeing each of you this coming Thursday, March 8, @ Crestview in Midland.

Todd

SMOT NYC Retreat

Hey Guys,

Tom Tillman wrote the Singing Men directors this morning and they are in the process of securing a block of rooms for our retreat @ FBC, Dallas. While some may have family in the Dallas area with whom they could stay, others will need a room the night of August 16 and possibly 17.

Please take a moment and send an email to todd.wilson@fbcabilene.org letting me know who will need a room for the night(s) of the 16th and possibly 17th. While most of us will probably travel home following the concert, there may be those who would like to spend Friday night in Dallas.

Thanks Todd

SMOT NYC Retreat

Hey Guys,

We have set August 16-17 as a special music retreat weekend for the guys singing and playing on the New York City Mission Trip/Concert Ministry.

We'll meet at FBC Dallas on August 16, rehearse on Thursday and Friday, and then present a concert at FBC Dallas on Friday night!

Everyone singing/playing on the NYC trip needs to plan to be there!

Thanks! Tom

From Your President - Ron Davis

If you missed last month at Circle 6, you missed a great time of fellowship and worship. As we wind down this concert season (only 3 concerts left) I look forward to our time together. We will be at the Crestview Baptist Church in Midland on Thursday, March 8 for our next concert.

As we share our hearts with each other, it helps us to pray for one another. As a group, you are on my daily prayer list and I am eager to hear your stories of answered prayer and of current needs. We are indeed "stronger together."

As always,
Keep the Faith
Ron
